Hosted by the Mount Currie Cultural Centre, Mount Currie, B.C., in conjunction
with the University of British Columbia Department of Linguistics

The University of British Columbia Working Papers in Linguistics
Volume 3

edited by
Suzanne Gessner & Sunyoung Oh

July 2000

UBCWPL is published by the graduate students of the University of British Columbia. We feature current research on language and linguistics by students and faculty of the department, and we are the regular publishers of two conference proceedings: the Workshop on Structure and Constituency in Languages of the Americas (WSCLA) and the International Conference on Salish and Neighbouring Languages (ICSNL).

If you have any comments or suggestions, or would like to place orders, please contact :
